SOS management has established their IMS Policy as below:

Specialized Oil Services W.L.L. firmly believes that no part of their business activities can be performed without integrating QHSE Management Systems within their operations.

Management at SOS has embedded their work culture across the company and at all levels, with profound commitments on:

- ▲ Clear understanding of customer expectations leading to customer satisfaction.
- ▲ Service delivery in safe and efficient manner with due consideration of applicable requirements from various interested parties.
- ▲ Promotion of Safety Culture in all working areas eliminating ill health and injuries to employees, subcontractors and visitors.
- ▲ Continual training to employees, subcontractors and visitors to maintain awareness and competence on QHSE topics.
- ▲ Proactive approach to eliminate incidents at work sites.
- ▲ Prevention of pollution during all company activities.
- ▲ Ongoing compliance with applicable legal and other requirements.
- ▲ Continual improvement in performance of QHSE system through measurable objectives and targets.

This QHSE Policy is communicated to all within the work area of SOS and available to public on web site www.sosdoha.com.
